

PRAJNA

ENGINEERING STUDENT

Karwar, IN | prajna202327@gmail.com | +91 8277908040

OBJECTIVE

I am seeking an opportunity where I can combine my academic knowledge, hands-on learning, and passion for cybersecurity to support a forward-thinking organization. I am committed to contributing enthusiasm, technical curiosity, and a strong work ethic while continuing to advance my skills in a field that demands constant growth. I believe that with the right platform, I can make meaningful contributions to cybersecurity efforts while evolving into a skilled, reliable, and impactful professional.

TECHNICAL SKILLS

Python
C
Java
HTML

Nmap
Kali Linux
Wireshark

Teamwork
Communication
Critical Thinking

PROJECTS

Phishing Link Detector

- Scikit-learn, Flask Developed an ML-based phishing detection model with 98% accuracy, deployed for real-time URL classification.

Safe Public Wi-Fi Detector – Real-Time Threat Monitoring

- Created a mini project that detects security risks in public Wi-Fi networks by monitoring traffic in real time.
- The system analyzes packets second-by-second to identify suspicious activities such as unsecured access points, abnormal network behavior, and potential man-in-the-middle threats.
- Implemented network scanning, vulnerability checks, and alert mechanisms.
- This project enhanced my skills in wireless security, packet analysis, and real-time threat detection.

Movie Compared Review Generator

- Gives the review on by comparing different website ratings. (Did it as a mini-project in 4th Semester.)

EDUCATION

Atomic Energy Central School

(1st - 10th [84.8%])

[2010 - 2021]

Atomic Energy Central School

(11st - 12th [66.2%])

[2021 - 2023]

Alva's Institute of Engineering and Technology

B.E in CSE (IoT, Cybersecurity including Blockchain) - CGPA: 8.51/10

[2023 - Present]

ADDITIONAL INFORMATION

- Languages:** English, Hind, Kannada
- Certifications:** Google - Agile Project Management, Google - Bits and Bytes of Computer networking, NPTEL- Cloud Computing [58%]
- Awards/Activities:** Hackverse DSATM (October 2025)- Won First place in IoTrix
